

REMARKS

Claims 40, 46, 51, and 54 are amended because there was no antecedent basis for the term "segment," which has been replaced by "portion." Entry of the Amendment is in order because it rectifies an obvious error of form that was not previously recognized by Appellant or the Examiner.

To the extent necessary, Appellant hereby requests an extension of time under 37 C.F.R. §1.136 and hereby authorizes the Commissioner to charge any required fees not otherwise provided for to Deposit Account No. 07-1337.

Respectfully submitted,
